- Mr. Allen also presented the commissary account to the Court.
-

- Sheriff Billy Stokes reported that Senator Mitch McConnell's has recommended the Sheriff's Department to receive \$50,000.00 in appropriation money. Judge Green pointed out that the money has not been approved at this point.
 - Mr. Stokes requested that the Court pay the \$16,051.00 that is due to the Sheriff's 2008 fee account. Mrs. Robertson pointed out that with the approval of the yearly settlement, that the budget has been closed and no money can be spent.
 - Sheriff Stokes requested that his salary for July, in the amount of \$6018.43, be paid by the Court. The Court requested documentation of how much money was actually needed.
 - It was noted that the Court received a check from the Sheriff's office in the amount of \$450.00 that did not clear the bank.
 - Per Sheriff Stokes, the \$16,051.00 that the fee account is short includes the \$7110.00 for the tax account. According to the Sheriff, \$4000.00 of that is owed to the State, and the other \$3000.00 is owed to the County. Judge Green noted that per the State Finance Department, the Sheriff owes the State \$5099.49 and insists this is why the County cannot decipher the Sheriff's requests as the amounts never match.
 - Mr. Stokes informed the Court that the Sheriff's conference he attended in Florida a few weeks prior was funded by himself and not the County.
-

- Dispatch Coordinator, Donna Ruby, informed the Court that the Dispatch center is almost back to 100% after the lightening strike. Judge Green noted that we still have no idea what the repairs are going to cost.
-
